

Barton

30 March, 1950

Dear President Seymour:

In the absence of Dr. Sockman who is away from his desk for a few days, your note of the 28th of March comes to me for attention. Thank you cordially for your endorsement of the candidacy of Clara Barton for the impending election of the Hall of Fame.

The ballots will be sent to the electors early in June of this year, at which time we shall apprise them of the many endorsements received for Clara Barton.

With appreciation of your interest, believe me,

Sincerely yours,

Bertha L. Lyons  
(Mrs. N.)

Dr. Charles Seymour
